

DOOR-TO-DOOR

recycled rubbish collection

CARING ABOUT OUR COMMUNITY

This town has started a door-to-door recycled rubbish collection.

With this leaflet we want to draw your attention to some of the simple but fundamental rules to ensure an efficient rubbish collection.

It is important to remember: to respect the time, day and the way the system is organised; to leave refuse sacks in front of, or near to, your own front door; not to leave sacks beside the brown, yellow or

green roadside rubbish bins; to only put organic waste in the brown bins, using the bio-degradable sacks; to only put glass bottles and jars in the green bins; to also use generic throwaway boxes and bags, whether paper or cardboard, for the collection of paper in addition to the appropriate sacks.

At the end of the trial period, a series of checks will be made across the area in order to identify and to fine the non-compliant.

With the commitment and participation of everyone we can also improve the quality of the environment. We need civic-mindedness, respect for the rules and common sense to make this a successful system.

What to put in blue multi-material sacks: Plastic: bottles, containers, rigid packaging and food dishes in general, bags - excluding plates, glasses, cutlery, toys, CD or DVD cases, household articles.

Metal cans and tins.

What to put in yellow sacks - HOUSEHOLD RUBBISH Everything that can't be recycled or re-used.

What to put in PAPER SACKS: Paper, in small amounts and sizes: clean and non-plasticised paper, cardboard, and card of any kind, cut up and well-folded, newspapers, magazines, Tetrapak and similar materials.

ATTENTION: in order to recycle a greater quantity and volume of paper material, use the sacks or throwaway cardboard boxes.

Remember: They must be reduced in size and well-tied together.

YELLOW SACKS - HOUSEHOLD RUBBISH

What to put in yellow sacks - HOUSEHOLD RUBBISH

Everything that can't be recycled or re-used.

ORGANIC WASTE in bio-degradable sacks to be put into the brown roadside bins, according to the correct specification.

What to put in bio-degradable sacks:

Rotting food, breadcrumbs, fruit and vegetable peel, coffee or coffee grounds, desserts, dead flowers, leaves, eggshells, shellfish, nuts, fish bones, fruit stones, bones with animal skin or feathers, stale pasta and bread, stale rice, seeds, tea, fruit cores, unused vegetables, teabags,

kitchen paper, corks, napkins, cardboard serving dishes (used for desserts), paper or raw wood materials that can be easily made into compost, including small plant cuttings.

GLASS to be put into the green roadside bins, according to the correct specification.

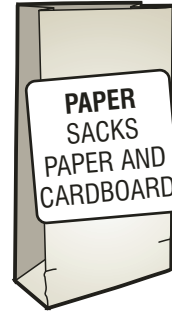

What can it contain?
Plastic, metal cans and tins

When can I put the sack outside my door?
vedi il calendario allegato

What can it contain?
Anything that can't be recycled or re-used.

When can I put the sack outside my door?
vedi il calendario allegato

What can it contain?
Paper, card, newspapers, magazines, Tetrapak and similar materials

When can I put the sack outside my door?
vedi il calendario allegato

When can I use the rubbish bin?
Whenever you need to.

What?
Green roadside bins
When?
Whenever you need to.

REMEMBER:

- Respect the days and times of collection
- Respect the plan for the separation of rubbish
- To recycle paper and cardboard you can use the appropriate sack or you can use throwaway cardboard boxes. For example: newspapers can be tied together, and boxes must be folded down and tied together, etc.
- Only put organic materials in the brown bins reserved for household waste, using the bio-degradable bags
- Only put glass bottles and jars in the green bins
- Leave your bags in front of your door or close to your house
- If you need to dispose of special types of rubbish remember that you can take it to your local recycling centre

ATTENTION:

DON'T LEAVE SACKS NEXT TO THE ROADSIDE BINS. THIS IS A RESIDENTIAL DOOR-TO-DOOR COLLECTION SERVICE. THE NEGLIGENT WILL BE PUNISHED WITH ADMINISTRATIVE FINES

SACKS THAT ARE FILLED INCORRECTLY AND THAT DON'T MATCH THE TIMETABLE GIVEN ON THE CALENDAR WON'T BE COLLECTED.

CHECKS WILL BE CARRIED OUT AND THE NON-COMPLIANT WILL BE FINED
